Streets of Philadelphia: Photography 1970-1985

Exhibition Fact Sheet

Streets of Philadelphia: Photography 1970-1985 is an overview of street photography made in Philadelphia during an era which was critical in forging the city's contemporary identity. Capturing an era that began with jubilant preparations for the Bicentennial and ended with the tragic MOVE bombing, the exhibition reveals the city at a time that is distinctly different than today. With the continuing renewal of Center City and other Philadelphia neighborhoods, the perception of the city as gritty and dangerous has changed dramatically. The exhibition brings together the work of twenty-five widely celebrated photographers and features many excellent works that have not been shown publicly in nearly thirty years. The more than sixty images included in *Streets of Philadelphia: Photography 1970-1985* create a diverse and complicated portrait of the city.

Artists in the Exhibition (26 total):

James B. Abbott, Robert Asman, Gary Lee Boas, Randl Bye, Don Camp, Jack Carnell, Paul Cava, Harvey Finkle, David Graham, Tom Gralish, Nancy Hellebrand, Charles Isaacs, Julie Jensen Bryan, George Krause, Paul McGuirk, Ray Metzker, William Owens, Stephen Perloff, Thomas Porett, Rosemary Ranck, Paul Runyon, Laurence Salzmann, Stephen Shore, Jack Tinney, Unknown Photographer, William Earle Williams
