

## Membership

Every Print Center member makes a difference. Membership support allows us to keep our exhibitions and education programs free and open to the public. Last year, The Print Center's members at all levels contributed a significant portion of our operating budget.

From exhibitions to publications and special programs, The Print Center's members provide vital funds that make it possible for everyone to experience the power of art. Members not only get a closer look at the art and programs we provide, they receive benefits such as invitations to member-only events and discounts on publications and in the Gallery Store.

All members receive reduced rates on art magazine subscriptions and invitations to special member-only events and programs. Membership contributions are 100% tax deductible.

**Double or triple the impact of your gift at no extra cost!** Many employers will match charitable donations made by their employees even if they are retired. Request a Matching Gift Form from your Community Relations or Human Resources Department and send it to us at the address below.
